Doctor Tells How To Strengthen Eyesight 50 Per Cent in One Week's Time in Many Instances

A Free Prescription You Can Have
Filled and Use at Home.

Philadelphia, Pa. Do you wear
glasses? Are you a victim of eye
strain or other eye weakness? If so,
you will be glad to know that according
to Dr. Lewis there is real hope for you.
Many whose eyes were failing say they
have had their eyes restored through the
principle of this wonderful free pre-
scription. One man says, after trying
it: "I was almost blind, could not see
to read at all. Now I can read every-
thing without any glasses and my eyes
do not water any more. At night they
would pain me dreadfully; now they feel
fine all the time. It was like a miracle
to me." A lady who used it says: "The
atmosphere seemed hazy with or with-
out glasses, but after using this pre-
scription for fifteen days everything
seems clear. I can even read fine print
without glasses." It is so wonderful that
thousands who wear glasses can now
discard them in a reasonable time and
multitudes more will be able to
strengthen their eyes so as to be spared

the trouble and expense of ever getting glasses. Eye troubles of many descriptions may be wonderfully benefited by following the simple rules. Here is the prescription: Go to any active drug store and get a bottle of Haarlem Oil capsules. Drop one Haarlem Oil tablet in a glass of water and allow it to dissolve. With this liquid bathe the eyes two to four times daily. You should notice your eyes clear up perceptibly right from the start and the inflammation will quickly disappear. If your eyes are bothering you, even a little, take steps to save them now before it is too late. Many hopelessly blind might have been saved if they had cared for their eyes in time.

Encouragement To Goodfellows	
BY A GOODFELLOW.	
Here is a genuine Santa Claus club letter, Goodfellows. It is from two little Memphis chaps who have taken from their penny bank to aid some child.	
"Dear Goodfellows—We are each sending \$1.50 of our savings to help make some little girl or boy happy on Christmas. Sincerely, "WILLIAM AND IRWIN GOOD-MAN."	
E. F. Wills & Co. line up 100 per cent for the Goodfellows. The morning mail brought their list with the sum of \$20.	
"Wish it were a million dollars," reads a penciled note at the bottom of the list which includes ten names. Four kiddies who are sure of a happy Christmas are included in the list of contributors. They are aged 12, 9, 7 and 5.	

THREE FILE PLEAS IN BANKRUPTCY

Three voluntary petitions in bankruptcy were filed Tuesday in federal court. The Spinks Factory Line, of Memphis, filed a petition through Attorney Solm, with debts listed at \$57,375.21 and assets consisting of property and notes valued at \$78,307.71. W. G. Shannon, owner of the Farmers' Cash Grocery Co., 178 South Main street, filed a petition, listing debts at \$1,783.50 and assets at \$3,019.98. Attorney Burgess represented Mr. Shannon in the petition. E. E. Chinnock, Memphis, also filed a voluntary petition in bankruptcy through Attorney Graves, listing debts at \$30,592.12 and assets at \$23,374.16. Stringency in the cotton market is attributed as the cause of all three bankruptcies.

MILK 14 CENTS.

CHICAGO, Dec. 1.—A cut in milk prices for December of 45 cents a hundred pounds at country points is announced by the Milk Producers' association. The new price of 23.40 will also result in a drop of one cent per quart in the price of milk to Chicago consumers, according to one large distributing firm. The new price will be 14 cents a quart.

Cut In Price Of Bread Not Needed Here, Says Maker

"There is no need of an immediate reduction in the price of bread in Memphis, as this city has always maintained a lower scale of prices for living necessities than other cities," stated Sam McDonald, of the Memphis Bread company, Wednesday, upon his return from Chicago, where he made a study of living costs there. While his visit to Chicago was mainly to attend the meeting of the advisory council of the National Association of Bakers, which is considering plans for the extension of the Bakers' institute now maintained at Duwiddie college, Indianapolis, Ind., Mr. McDonald also carried out living cost investigations as a matter of personal interest.

In the Windy City, according to Mr. McDonald, the pound and a half loaf of bread is selling at 15 cents a loaf, and the small loaf at 11 cents, wholesale. Memphis bakers have been enabled, through co-operative efforts in buying their flour, to sell bread at an average of eight cents a loaf, wholesale.

In commenting upon recent reductions in prices of bread in Philadelphia, where a one-cent drop on all loaves was announced, and in Cleveland, where 24-ounce loaves were reduced from 14 to 12 cents, Mr. McDonald stated Wednesday that the price of the large loaves of bread in this city has always been maintained at the latter figure.

J. A. Winkelman was elected to head the board of advisors of the national organization, which body was headed by Mr. McDonald for a number of years.

Encouragement To Goodfellows

BY A GOODFELLOW.
Here is a genuine Santa Claus club letter, Goodfellows. It is from two little Memphis chaps who have taken from their penny bank to aid some child.

"WILLIAM AND IRWIN GOOD-MAN."

Here's another dandy one, from a chap who signs himself "A Traveling Man."

Because I have lived and prospered in this cotton country; because I intend to live on and die in this cotton country; and because I want to be as happy as I am when I think of it, I am sending a \$5 bill just to make that kid laugh and be happy.

Our total Wednesday is \$1,787.11. Coming along at a nice rate, but remember, Goodfellows, there are thousands of kiddies here who will miss the jingle of sleigh bells unless you are up and doing.

FIRE LOSS \$300,000.

SAN LUIS OBISPO, Cal., Dec. 1.—Fire of undetermined origin destroyed part of the Union Oil company's refinery at Avila, entailing a loss of approximately \$300,000. It was necessary to drain two large tanks of high-grade distillate into the ocean to check the flames.
